“Sometimes you
never know the value
of a moment until it
becomes a memory”

- Dr. Seuss

You know your wedding day is going to be
memorable one – but the little moments that become
ingrained in your memory forever may surprise you

ONCE UPON A TIME...

...In an enchanting Chateau on the Menai Straits your love story continues. Make it you own and celebrate with Family and friends.

A luxury wedding venue in the heart of North Wales, Château Rhianfa isn't your average hotel. Beautiful grounds and architecture will capture your imagination. Open the door to your unique wedding day.

Our stunning property was built in 1849 by Sir John Hay Williams, Baronet of Bodelwyddan as a gift for his wife, Lady Sarah. Inspired by the couple's travels to the Loire Valley in France, it is beautifully positioned overlooking the Menai Strait, creating the perfect backdrop for your wedding.
